

Kids on the Go

April 17, 2009

Dear Parent/Guardian,

Thank you for putting your child on this year's waiting list for Kids on the Go. It is necessary that we continue to fundraise for this year's summer program prior to awarding any scholarships. We anticipate awarding scholarships by the third week of May. At that time an application packet will be mailed to you. Our 11th Annual Kick off for Kids on the Go is scheduled for July 10, 2009.

On the attached page you will see the courses we are offering for Summer 2009. We are excited to introduce five new clinics! We ask that you pick up to three courses that you might be interested in for your child, prioritizing them 1, 2, and 3. Your first course is free. With an additional enrollment in a course there is a suggested donation of \$50.00. The maximum enrollment is two courses per child. This form *DOES NOT* guarantee you a scholarship or the course you request.

Please fill out the form below and submit it by **May 10, 2009** for consideration of a summer scholarship.

Please Email to: kristyschena@comcast.net, subject Kids On The Go.

Please call (248)967-7917 if you have any questions.

Sincerely,

Kristy Schena
Executive Director/Founder of Kids on the Go
