Finding A St. John Health Physician Is Easy

It could be the middle of the afternoon or the middle of the night. We're here to help you locate a doctor in your area. Just visit www.stjohn.org/FindAPhysician and use our online physician directory to find a doctor who's right for you. You may search by name, by specialty, by hospital affiliation, by gender. We make it easy. Do you want a doctor who speaks another language besides English? No problem! You can even search by language.

Once you've found a doctor, you may request an appointment online 24 hours a day.

While you're visiting us on the web, take a few minutes to build your own Personal Health Page. It lets you store a personalized list of physicians, conditions, bookmarks and other health information. Plus you can:

- Take a Two-Minute Heart Check
- Take a Cancer Risk Assessment
- Pay health care bills online
- Pre-register for services
