

Support St. John Open Arms by purchasing a
Remembering Your Loved Ones with Recipes Cookbook

For a donation of \$10.00

(Additional \$2.25 shipping & handling, if mailed outside SJPHS)

The recipes were submitted by those that have loss loved ones. Each recipe tells something about the person that died along with a scrumptious meal plan.

An insert from the cook reads as follows:

“Monday, December 9, 2007 a movie made for TV was aired. This film’s title was “Just For One More Day”

This person goes on to talk about her mom’s Christmas cookies and how she is sharing the memory and the recipe with others.

All proceeds will benefit the
St. John Open Arms Grief Program
