

# A GIFT FOR YOUR GRANDCHILDREN

*(a healthy you)*

Your grandchildren are growing up fast and you don't want to miss a moment. That's why St. John Oakland Hospital offers comprehensive healthcare services for older adults. We'll not only keep you healthy, we'll help you stay active so you can keep up with those energetic kids.

- State-of-the-art CT technology including cardiac and vascular scans
- Convenient location with free parking
- Emergency Department staffed with board certified Emergency Medicine physicians
- Knee and Hip Pain seminars
- Lunch with a Doctor program
- CareLink – a free, membership program that offers health information, education programs, discounts and benefits

**For more information on any of these services or to find a St. John Oakland Hospital physician, call 1-888-875-1200.**
