Transgender Patients: Providing Compassionate, Affirmative and Evidence-Based Care
Wednesday, November 8, 2017

COURSE OVERVIEW
The course will increase awareness of the health disparities facing transgender patients and will improve knowledge of physicians providing necessary screening and preventive health care.

PROGRAM OBJECTIVES
• Provide a welcoming, affirmative patient experience in primary care offices
• Use appropriate terminology (names, pronouns, sex vs gender, etc) when treating transgender patients
• Identify health disparities faced by transgender patients
• Improve health screening and vaccination rates among transgender patients in primary care
• Increase knowledge of appropriate treatment options and referral services

DISCLOSURE
Consistent with the ACCME Standards of Commercial Support, speakers for the conference are expected to disclose to you at the beginning of their presentation(s), whether or not they have any commercial or other personal interests that create, or may be perceived as creating, a conflict related to the material discussed. This policy is intended to make you aware of speaker’s interests, so you may form your own judgments about such material.

ACCREDITATION
St. John Hospital & Medical Center is accredited by the Michigan State Medical Society to provide continuing medical education for physicians.
St. John Hospital designates this live activity for a maximum of 4.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.
Nurses: The ACCME is approved by the Board of Nursing as an acceptable provider of continuing education for license renewal or relicensure
Social Work CEU’s applied for and pending.
